

Lavaflame 2 Electric Fire Range

The Lavaflame 2 is a landscape style, inset fire featuring a realistic flame effect and Pebble fuel bed. It is available with a Flat (illustrated) or Curved Black glass fascia (note Curved glass must be Partial inset fixing). It is supplied as standard 1.5KW output which, in addition to saving energy, makes it particularly suited to environments where pitches have limited power availability. The Lavaflame 2 is supplied as standard with thermostat control and also available with optional remote control.
